

Real Talk Autism Edition: Resources & Support for Clinicians

Members of the regional California Autism Professional Training and Information Network-CAPTAIN X will be offering group chats, sharing resources, and offering support related to working with and supporting clients with autism. Join us for this interactive opportunity to build connections, create community, and fill your toolbox with the tips, tools, and resources for autism. Grab your favorite beverage, a snack, and get ready to connect and grow with others as we work to build the supports available to our autism community.
